BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri R. R. BANERJEE, Judge,

Second Industrial Tribunal.

The dispute between Messrs. Hindusthan Hide Skin & Co., 2 Khetra Das Lane, Calcutta-12, and their workman, Shri Mainuddin, C/o. A. Mannan

Hashmi, 6/1 Kasai Bustee 1st Lane, Calcutta-11, has been referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, by its order No. 4005-I.R./IR/10L-325/69, dated the 11th June 1969, with the following issue :

Issue

Whether the termination of service of Shri Mainuddin by way of refusal of employment to him is justified ? What relief, if any, is he entitled to ?

After the case was registered due notices were served on the parties who appeared and filed their written statements. Thereafter the case was taken up for hearing.

The case of the workman is that the Company, though a prosperous dealer in hide and skin does not pay even the subsistance wages to its workmen or any facility or amenity worth mentioning. They even deny weekly holidays to their workmen. Over these matters the workmen in question along with other workmen made representation before the Proprietor of the Company and incurred serious displeasure of the management. As the workmen in question took a leading part in the representation the management attempted to stop the legitimate demands of the workmen by refusal of employment to the workman in question. On 9th July 1968 the workman in question went to join his duties but the Proprietor of the Company refused to allow him to do his work. Again the workman went to the Company on two or three days to join his duties but the Proprietor did not allow him to join his duties. Thereafter the workman lodged a protest to the Proprietor in writing in the form of a dispute which has been made Annexure 'A' to his written statement but it was of no avail. Thereafter the workman submitted a dispute to the Labour Commissioner, Government of West Bengal, soliciting his intervention in the matter, by his letter, dated 31st July 1968. The copy of the letter has been made Annexure 'B' to his written statement. As the joint discussion held at the instance of the Labour Officer/Conciliation Officer failed, the Government of West Bengal referred the present industrial dispute for adjudication to this Tribunal. Further case of the workmen is that he had been working in the Company since November 1965.

The case of the Company is that the workman in question joined the Firm from December 1966 and was in employment up to June 1968, when all of a sudden without any notice whatsoever to the Firm he absented himself from his duties. After waiting for full one month the Firm was constrained to employ another man in his place. The workman had drawn his salary for the month of June 1968 and nothing was due to him. The management emphatically denied that the workman reported to his duties on the 9th July 1968 or that the workman ever reported for duty on and from July 1968. The management also denied that the workman lodged a written protest to the firm against his alleged dismissal.

Appearances of the parties are as follows :—

For the Company : Shri B. B. Das Gupta, Advocate.

For the Workmen : Shri S. R. Das Gupta, Advocate.

Decision

At the time of trial the workman in his deposition gave up his claim for reinstatement and demanded compensation. He deposed that he did not want to work in the firm and that he prayed for compensation only. Now he can be allowed compensation only if he was in continuous service for one year before the alleged date of retrenchment as laid down in section 25F of the Industrial Disputes Act, 1947.

The positive case of the Firm is that without informing the management the workman in question did not come to work in the Firm from July 1968. The positive case of the workman as made out in his written statement is that when he went to join his duties on 9th July 1968, the Proprietor did not allow him to do his work. The register of monthly attendance and pay book, Ext. A/2, shows that the workman was absent from duty from 1st July to 8th July 1968. The register of monthly attendance and pay book, Ext. A/2, therefore clearly shows that the case of the management is true.

To explain his absence from duty from the 1st July to 8th July 1968, the workman deposed at the time of trial that he prayed for 2 days' leave and that the Malik granted him leave without remuneration. Now, whether this story of praying for 8 days' leave in July 1968 by the workman is true. The workman filed his written statement on 31st July 1969. Nowhere in the four corners of this written statement it has been alleged that the workman prayed for 8 days' leave in July 1968 or that he was granted the leave. Neither this important fact has been mentioned in Annexure 'A' (to his written statement) the original of which the workman alleges to have served on the Firm on 15th July 1968. In the circumstances the story of the workman that he prayed for 8 days' leave and that he thereafter went to join his duties on 9th July 1968, after the expiry of the leave, can hardly be believed. On the other hand, the case of the management that the workman absented himself from duty throughout the entire month of July is proved by the monthly attendance register-cum-pay register Ext. A/2. The workman challenged the genuineness of the monthly attendance-cum-pay register (Ext. A/2). His case is that a separate attendance book was kept for the durwans in which capacity the workman in question was employed. Now the deposition on oath of O.P.W. 1, the Manager of the Firm is that there were 12 or 13 employees in the Firm in July, 1968 and he denied the existence of any separate register for durwans. The monthly attendance-cum-pay register, Ext. A/2, shows that in the month of July 1968, there were 17 employees of which one was the workman in question. His name appears in serial No. 5. The register does not show any mark of tampering.

On the other hand, the examination of the register discloses that it was kept in the ordinary course of business. In the circumstances it cannot at all be believed that the name of this workman in question in serial No. 5 has been inserted by the management for the purposes of this case. I, therefore, cannot believe that any separate attendance register was kept for durwans and I accept the case of the Firm that a single attendance register for all the workers of the godown was kept. The result is that there is no reliable explanation from the side of the workman regarding his absence for the first 8 days in the month of July 1968. I have already pointed out that the story made out at the time of trial that he prayed for 8 days' leave in the month of July 1968 is conspicuous by its absence from the written statement of the workman and from Annexure 'A' to it. There is, therefore, no other alternative but to accept the story of the Management that the workman in question remained absent from his duties in the month of July 1968 without prior intimation to the Management and to hold that the workman was not in continuous service for one year before 9th July 1968 The register, Ext. A/2, further discloses that the Management waited for him and kept his name in the register for full one month, namely, July 1968 and that thereafter his name in the register does not appear. This is also strong circumstantial evidence which shows that the story of the Management is true. As the Management waited for the workmen for full one month they cannot be blamed if they later refused employment, to the workmen who acted as durwan and who absented from duty for a pretty long period without informing the Management. I, therefore, hold that the termination of service of Shri Mainuddin by way of refusal of employment is justified and he is not entitled to any compensation as he was not in continuous service for one year before 9th July 1968.

This is the award of the Tribunal.

Issue

Whether the termination of service of Shri R. Roy Chowdhury is justified ? To what relief, if any, is he entitled ?

After the case was registered due notices were served on the parties. The Secretary of the Labour Union received the notice by putting his signature on the acknowledgement on 7th October 1969 and the notices were also received by the two companies under signatures on 7th October 1969, but none of the parties have appeared

on 13th January 1970. Under Rule 22 of the West Bengal Industrial Dispute Rules, 1958, when both the parties failed to appear before the Tribunal, an award is to be submitted to the State Government on the footing that the industrial dispute under reference is no longer in existence. Hence a 'no dispute' award is passed.

The Government of West Bengal, Labour Department, by its order No. 7191-I.R./IR/10L-353/69, dated the 15th September 1969, referred this industrial dispute between Messrs. Eagle Engineering Works, 60 Sitalatola Lane, Calcutta 54, and their workman Shri Nirmal Kumar Adhikary, C/o. Shri Kartick Chandra Mondal, 39 Matilal Basak Garden Lane, Calcutta-54, to this Tribunal under section 10, read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue :

Issue

Whether the termination of services of Shri Nirmal Kumar Adhikary by way of refusal of employment to him is justified ? What relief, if any, is he entitled to ?

After service of notice from the Tribunal the employer appeared on 8th October 1969; but the notice issued to the workman concerned returned undelivered with the postal remark 'refused' which amounts good service. On the four subsequent dates, viz., 10th November 1969, 4th December 1969, 19th December 1969 and 27th December 1969, neither party appeared to take any step nor the employer filed written statement.

In the circumstances I think that the dispute between the parties has now ceased to exist; and I pass a 'no dispute' award accordingly.

BEFORE THE SECOND INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri R. R. BANERJEE, Judge,
Second Industrial Tribunal.

The dispute between Messrs. Jay Engineering Works Ltd., and their workmen represented by Jay Engineering Workers' Union has been referred to this Tribunal for adjudication by the Government of West Bengal, Labour Department, by its order No. 1156-I.R./IR/10L-10/69, dated 24th February 1969, with the following issue :

Issue

What should be the quantum of bonus payable to the workmen for the accounting year ending 31st March 1966 ?

After the case was registered due notices were served on the parties. The parties did not file any written statement but on 25th November 1969, they filed a petition of compromise with a prayer that the Tribunal should approve the terms of agreement and give an award in terms thereof.

The dispute that has been referred to this Tribunal is 'what should be the quantum of bonus payable to the workmen for the accounting year ending 31st March 1966.' In other words, this Tribunal has been asked to adjudicate on the dispute regarding the bonus payable to the workmen for the period from 1st April 1965 to 31st March 1966. The joint petition of compromise shows that it contains agreement between the parties regarding the bonus for the financial years 1965-1966, 1966-1967, 1967-1968, 1968-1969, 1969-1970, 1970-1971 and 1971-1972. Section 19(4) of the Industrial Disputes Act, 1947, specifically lays down that where the order referring the industrial dispute to the Tribunal has specified the points of dispute for adjudication, the Tribunal shall confine its adjudication to those points and matters incidental thereto. Rule 20D of the West Bengal Industrial Dispute Rules, 1948, forbids the enlarging in any way the scope of the points referred for adjudication or adding to their number. The question of bonus payable for the years 1966-1967, 1967-1968, 1968-1969, 1969-1970, 1970-1971 and 1971-1972 can in no sense be described as incidental to the dispute for bonus for the financial year 1965-1966. Under the circumstances, this Tribunal cannot pass any award regarding the bonus for the financial years excepting the financial year ending on 31st March 1966, i.e., for the financial year 1965-66. This being the legal position, any award passed in respect of the bonus for years other than referred to for adjudication will be without jurisdiction and a nullity. The only terms in the joint petition of compromise which relate only to the bonus payable to the workmen for the accounting year ending 31st March 1966 should therefore form part of the award. The terms which relate to the quantum of bonus payable to the workmen for the accounting year ending 31st March 1966 are not opposed to any provision of law or to morality or to public policy and are legal within the meaning of Indian Contract Act. I therefore accept them.

Hence ordered that this case is disposed of on compromise without costs. The only portion of the petition of compromise which relates only to the bonus payable for the financial year ending 31st March 1966 do form part of the award.

And

2. Its workmen employed in the following Calcutta Units, represented by Jay Engineering Workers' Union (hereinafter called the Union)—

Representing Union :

Short Recital

Whereas bonus disputes in respect of the financial years ending March 1963, through 1968 are pending before various Courts/Tribunals ;

The Company holds that after the promulgation of the Payment of Bonus Act, 1965, bonus is payable in terms of the said Act, and bonus in respect of the years ending March 1965, through 1968 was announced and paid accordingly.

The Union holds that bonus should be paid according to past practices even after the promulgation of the Bonus Act ;

Having regard to their respective views and to various cases and decisions of the Courts, the parties desire a package settlement of the pending bonus disputes for the years ended March 1966, through

1969, and to lay down an agreed basis of bonus payment for the years 1969-70, 1970-71 and 1971-72, so as to avoid litigation and disputes on the bonus issue.

After protracted negotiations between the parties and after taking into consideration the legal position and the provision of the Bonus Act to the effect that employers and employees of any establishment can enter into agreement for granting bonus under a formula which may be different from that under the Act, the parties have agreed upon on provisions contained in this agreement. The parties particularly desired a formula other than the formula under the Act for avoidance of unnecessary disputes every year.

Terms of Settlement

1. *Bonus for the financial year 1965-66.*—Bonus for the year would be payable at the rate of 13 per cent. of earnings. Two months' puja time bonus payments already made in relation to the year will be adjusted against the bonus entitlement as agreed. The balance if any will be paid to the workmen by 31st March 1970.

4. For the purpose of this agreement, the term 'earnings' includes basic wage and dearness allowance but excludes production/non-production bonus and all other allowance payments. This is without prejudice to the respective position of the parties in the pending cases in regard to the definition of basic wage for this Company.

5. If any employee has received more payment by way of two months' puja time bonus payment than his bonus entitlement under this agreement, he will not be asked to repay the difference

7. The parties shall jointly send copies of this agreement to the Government authorities specified in West Bengal Industrial Disputes Rules, 1958.

AWARD

By order No. 7002-I.R./IR/11L-67/67, dated the 30th December 1967, the Government of West Bengal, Labour Department, referred an industrial dispute between Damodar Valley Corporation, Anderson House, Alipore, Calcutta-27 and their workman, Shri Pranab Kumar Ray, 70 Serpentine Lane, Flat No. 9, 1st Floor, Calcutta-14, to this Tribunal, under section 10 of the Industrial Disputes Act, 1947, read with section 2A thereof, for adjudication on the following issue :

Issue

Whether the Corporation was justified in terminating the services of Shri P. K. Ray? To what relief and/or compensation, if any, is he entitled?

In response to the notices issued by this Tribunal on receipt of the order of reference, the workman concerned and the Damodar Valley Corporation (hereinafter referred to as the D.V.C.) entered appearance in the case and filed their respective written statements on different dates.

The workman's case, bereft of unnecessary details, is as follows: He joined the D.V.C. as an Assistant, Grade I, on the 7th June 1951 and he was absorbed in the permanent post of Assistant, Grade I, from 1st March 1960 by an order, dated 9th June 1965. Since May 1960 the workman had been serving in the office of the Chief Electrical Engineer, D.V.C., Calcutta, as the seniormost Assistant, Grade I, and he reached the maximum of his grade in 1962-63. He remained there for several years without being favoured with any further annual increment, and in supersession of his just and lawful claim and in contravention of the usual procedure of the D.V.C. with regard to the filling up of the vacancy in the post of Office Superintendent at Calcutta, some other Assistant, Grade I, where promoted to the said post whenever vacancy occurred there on several occasions. Then in 1964 the workman passed the Final Examination of the West Bengal Government's Labour Officers' Training Course and thus became qualified for personnel work. He then requested the Director of Personnel of the D.V.C. by an application, dated 16th December 1964, to favour him with a chance in the Personnel Department of the D.V.C. at Calcutta. He also approached the Director of Personnel, D.V.C., personally and made some verbal submission to him in this regard and thereby he incurred the displeasure of the officers of the Personnel Branch, D.V.C., in general and the Director of Personnel in particular. Again, on or about 8th March 1965 the workman made a prayer to the Director of Personnel, D.V.C., for a chance in the Personnel Branch, Calcutta, through the Chief Electrical Engineer, D.V.C., and the moment the application reached the Personnel Department, the Director of Personnel sharply reacted in issuing an order, dated 10th March 1965, transferring him to Maithon in Bihar. From about two months before the aforesaid transfer order was issued, the workman had been suffering from appendicitis with excruciating pain in his abdomen and he was under the regular treatment of a qualified physician at Calcutta and his diet and movement were also so much restricted as per the advice of the said physician that it was not at all possible for him to move out of Calcutta. So, on receipt of that order of transfer he met the Director of Personnel, D.V.C., at Calcutta and told him that in view of his state of health it was not possible for him to join his new post at Maithon and requested him to allow him to continue at Calcutta as Assistant, Grade I. But he was asked to join at Maithon at his new post. The workman also got himself examined by Dr. A. Banerjee, the Presidency Surgeon, at P. G. Hospital and he was advised by him to be X'rayed. Thereafter he took the assistance of Dr. B. P. Neogi of D.V.C. in his Chamber at his residence and the said doctor also examined him and gave him necessary advice in writing. On 3rd or 4th of June 1965 he applied for leave from 5th June 1965 and the leave was granted on medical grounds. He was X'rayed at P.G. Hospital and the D.V.C. reimbursed the expenses for his X'ray examination and then he was advised by Dr. A. Banerjee to undergo an operation for his ailment in the stomach. But as he was afraid of the result of operation, he did not undergo the operation. He was initially granted leave up to 5th August 1965 and then it was extended up to 3rd October 1965, and on the expiry of the said leave he approached Dr. Das (his physician) to have a fit certificate to resume his duty, but he was advised to remain on leave for some time more. So, he obtained a certificate from him and applied for an extension of leave on 5th October 1965. He wrote a letter to the D.V.C. for his retention at Calcutta without any promotion so that his treatment might not be affected, but everything was in vain. The D.V.C. directed the workman by a letter, dated 19th October 1965, to appear before the Chief Medical Officer, D.V.C., on 22nd October 1965 and accordingly he appeared before the Chief Medical Officer on that date in the morning at his chamber in his residence and showed him his earlier prescription and also the outdoor ticket of P.G. Hospital and requested him to examine him physically after giving out to him the history of his ailment. But unfortunately the Chief Medical Officer, D.V.C., did not examine him on the plea that his disease had to be ascertained first from the necessary documents rather than from his physical examination. The D.V.C. was informed by the workman that he presented himself before the Chief Medical Officer as directed by the D.V.C. and that the Chief Medical Officer refused to examine him personally. Then the D.V.C. asked him by a letter, dated 7th January 1966, to which a copy of a letter, dated 21st December 1965, was attached, to show cause by 15th January 1966 as to why his services should not be terminated under Regulation 17(c) of the D.V.C. Service Regulations. The workman showed cause by his letter, dated 14th January 1966, stating that he was not absenting without leave and that he appeared before the Chief Medical Officer, D.V.C., on 22nd October 1965. But it was not also considered by the D.V.C. and his services were abruptly terminated on 2nd June 1966 with retrospective effect from 20th April 1966, the letter of termination of service (i.e., the letter No. PL-2/132-10798, dated 2nd June 1966 of the D.V.C.) having been received by the workman on or about 14th June 1966. The workman preferred an appeal to the General Manager and Secretary, D.V.C., against the order of termination of his service, which was, according to him, illegal, arbitrary and mala fide, and prayed for his retention at Calcutta. But the order of termination of his service was not revised and thereafter the workman preferred a second appeal to the Chairman, D.V.C., by his representation, dated 2nd January 1967, but unfortunately, this was also rejected. Hence, the dispute.

All the material allegations made in the written statement filed by the workman have been stoutly denied in the written statement filed by the D.V.C., and it has been positively averred therein that the workman did not send any application for extension of leave on 5th October 1965 and as such the question of granting any extension of leave did not arise at all and that the workman was on unauthorised leave from 4th October 1965, and he made no attempt to regularise his unauthorised absence inspite of the Corporation's notices, dated 21st December 1965, and 7th June 1966, and hence the Corporation (i.e., the D.V.C.) came to the decision that the workman's service should stand terminated with effect from 20th April 1966, under Regulation 17(c) of the D.V.C. Service Regulations and the necessary order of termination was communicated to the workman by the notice, dated 2nd June 1966. It is also contended in the written statement filed by the D.V.C. that the workman never categorically expressed his inability to leave Calcutta on being served with the order, dated 10th March 1965, directing him to join the Office of the Chief Engineer at Maithon on promotion as Superintendent. According to the D.V.C. the story

of illness of the workman was not at all true and that plea was taken by him only for remaining at Calcutta on promotion.

As already indicated, the issue involved in this reference is, whether the Corporation was justified in terminating the services of Shri P. K. Ray and to what relief or compensation, if any, is he entitled ? Admittedly the services of Shri Pranab Kumar Ray, i.e., the workman concerned, were terminated with effect from 20th April 1966 by an order, dated 2nd June 1966, and this termination was on the ground, as alleged by the D.V.C., of his unauthorised absence from 4th October 1965 to 20th April 1966. So, the first point for my consideration would be whether Shri Pranab Kumar Ray was actually on unauthorised leave during that period. Now, it is not disputed that Shri P. K. Ray was granted leave by the D.V.C. from 5th June 1965 up to 3rd October 1965, on medical grounds. This fact is clearly admitted in the written statement filed by the D.V.C. and it is not challenged by the D.V.C. at the hearing. The learned Advocate for the D.V.C. has also clearly admitted before me in course of his argument that Shri P. K. Ray was on leave up to 3rd October 1965. But he has contended that thereafter he was absent from duty without any leave or permission and so his services were terminated under Regulation 17(c) of the D.V.C. Service Regulations. But I am unable to accept the aforesaid contention of the learned Advocate for the D.V.C. in view of the clear evidences on record, and in view of the facts and circumstances of the case. It is the positive assertion of the workman concerned that he applied for extension of his leave on 5th October 1965 and he has deposed also in the case to that effect. His statement on oath in this regard could not be challenged by the Corporation by adducing any evidence to the contrary. The Director of Personnel, viz., D.W. 2, rather said in his cross-examination that he could not remember if any order was passed on the application submitted by Shri P. K. Ray for extension of his leave. The aforesaid statement of the D.W. 2, in his cross-examination, rather goes to suggest that Shri P. K. Ray actually submitted an application for extension of his leave. Then there is on record the copy of the letter, dated 5th October 1965, addressed to the Chairman, D.V.C., Calcutta, by Shri P. K. Ray, which has been marked as Ext. 8. It is clear therefrom that Shri P. K. Ray applied for extension of his leave enclosing a medical certificate with the application. So, it is proved and proved to the hilt that Shri P. K. Ray actually applied on 5th October 1965 for extension of his leave. But unfortunately no order was passed by the D.V.C. on that application for extension of leave. It has been sought to be suggested from the side of the Corporation that after Shri P. K. Ray was released from the office of the Chief Electrical Engineer, Calcutta, with a direction to join at Maithon, he was to apply for leave through the Chief Engineer (Civil) at Maithon, where he was to have reported for duty as Superintendent on promotion. But nothing has been produced before me from the side of the D.V.C. to show that the Chairman, D.V.C., Calcutta, had no right to pass any order on the application submitted by Shri P. K. Ray for extension of leave after Shri P. K. Ray was released from the office of the Chief Electrical Engineer, Calcutta, on being transferred to Maithon. Even if it be assumed for argument's sake that the application for extension of leave should have been submitted by Shri P. K. Ray through the Chief Engineer (Civil) at Maithon, still it is not intelligible to me why that application did not deserve any consideration from the D.V.C., and why no order was at all passed on that application. What I mean to say is that if it was considered by the D.V.C. that the application for extension of leave was not filed by the workman through proper channel, the workman concerned should have been directed to file another application through proper channel or the application filed by him on 5th October 1965 (copy of which has been marked as Ext. 8), should have been returned to him for resubmission through proper channel. But nothing was done to that effect and the Corporation did not consider it necessary at all to pass any order on the application submitted by Shri P. K. Ray praying for extension of leave. The Corporation submits that Shri P. K. Ray took no steps to regularise his leave from 4th October 1965. But here is the application, Ext. 8, which was filed by Shri P. K. Ray praying for extension of his leave, I do not know what else the workman concerned could do in this matter, i.e., in the matter of regularising his leave. The leave granted to him by the D.V.C. expired admittedly on 4th October 1965 and on 5th October 1965, he duly submitted an application (enclosing therewith a medical certificate) praying for extension of leave. But no order, this way or that, was passed by the Corporation on that application for extension of leave submitted by Shri P. K. Ray. Had the application been rejected by the D.V.C. and had Shri P. K. Ray, been absent from his duty even thereafter, it could be said that Shri P. K. Ray was on unauthorised leave or, in other words, was absent without any leave or permission since 4th October 1965. But his application for extension of leave was not turned down by the D.V.C., and as a matter of fact, no order either rejecting or allowing that application was passed by the D.V.C. Therefore, I must hold that Shri P. K. Ray was not absent from duty since 4th October 1965, without any leave or permission as contended by the D.V.C. The services of Shri P. K. Ray having been terminated on the ground of his unauthorised absence from duty since 4th October 1965, my above finding is sufficient for the disposal of this reference.

But still I shall consider other aspects of the matter. It is contended in paragraph 31 of the written statement filed by the Corporation that the workman never categorically expressed his inability to leave Calcutta and he rather pressed for his posting at Calcutta as Office Superintendent on promotion when there was no such vacancy there. Towards the bottom of that paragraph it is also stated that the Corporation would have cancelled his promotion order and would have retained him in his old post at Calcutta as Assistant, Grade I, had he expressed his inability to proceed out of Calcutta on promotion. Now, it is proved by Ext. 5 that Shri P. K. Ray, i.e., the workman concerned submitted a representation to the Chairman, D.V.C., Calcutta, praying for retaining him at Calcutta against the leave vacancy of one Shri J. R. Paul as Assistant, Grade I. The D.W. 2 also admitted in his cross-examination that Shri P. K. Ray made a request to post him at Calcutta as Assistant, Grade I, in the leave vacancy of one Assistant, Grade I. So, there is no denying of the fact that Shri P. K. Ray categorically expressed his inability to move out of Calcutta on promotion and wanted to be retained at Calcutta in the post of Assistant, Grade I, after forgoing the promotion. The D.W. 2 has, of course, said in his cross-examination that Shri P. K. Ray

made the said request to be retained at Calcutta on forgoing promotion after he was released from Calcutta. But that does not, in my opinion, make any difference in the matter as it is admitted in the written statement filed by the D.V.C. that Shri P. K. Ray would have been retained at Calcutta if he specifically expressed his inability to move out of Calcutta on promotion. In the cross-examination of the D.W. 2 we also get the statement to the effect "We would have allowed Shri P. K. Ray to stay on at Calcutta if he liked the same on forgoing the promotion". That being so, Shri P. K. Ray should have been retained at Calcutta as Assistant, Grade I, after he signified his willingness to that effect clearly by the letter, Ext. 5. The whole trouble arose, according to the D.V.C., over the transfer of Shri P. K. Ray from Calcutta to Maithon on promotion as Superintendent. The D.V.C. means to say that Shri P. K. Ray wanted to have the promotion and to stay on at Calcutta but the letter Ext. 5 belies that story altogether and it goes to show that Shri P. K. Ray wanted to remain at Calcutta on the ground of his ill-health even after forgoing promotion. The D.V.C., also submits, as I have already pointed out, that Shri P. K. Ray would have been allowed to stay on at Calcutta if he liked the same on forgoing the promotion. So, when Shri P. K. Ray intimated the Chairman, D.V.C., Calcutta, by the letter Ext. 5, that he was willing to be retained at Calcutta in the leave vacancy of one Assistant, Grade I, the D.V.C. should not have terminated his service, and in the facts and circumstances of the case, I must say that the action of the D.V.C. in terminating the service of Shri P. K. Ray was unjust, improper and mala fide.

Then it is not disputed that no charge-sheet was framed against Shri P. K. Ray and no domestic enquiry was held against him before the termination of his service, and that being so, the order passed by the D.V.C., terminating the services of Shri P. K. Ray can be very well assailed on that ground as well. But it has been contended by the learned Advocate for the D.V.C. that the order of termination of service of Shri P. K. Ray was not defective on that ground as it was a termination under Regulation 17(c) of the D.V.C. Service Regulations. He means to say that as Shri P. K. Ray absented himself from duty from 4th October 1965 without previous permission of the competent authority, his services could be terminated by the Corporation even without previous notice under Regulation 17(c) of the D. V. C. Service Regulations. But if we read closely the provisions of Regulation 17 along with Regulations 96 and 98 of the D.V.C. Service Regulations, we would find that the above contention of the learned Advocate for the D. V. C. does not hold any water. The termination of the services of an employee in permanent employment is undoubtedly a penalty within the meaning of Regulation 96 of the D. V. C. Service Regulations, and accordingly an enquiry should have been held against the workman concerned under Regulation 98 of the D. V. C. Service Regulations after framing of a definite charge against him. But that was not done in the instant case. Even if it be accepted for argument's sake that the D. V. C. had the power to terminate the service of Shri P. K. Ray without framing any charge against him and without holding any domestic enquiry against him, then also the requirement of bona fides is essential in such a case and that must be established by the Corporation and if it appears that the termination of service is a colourable exercise of the power of the D. V. C. or is a result of victimisation and unfair labour practice, the Industrial Tribunal must have jurisdiction, in my opinion, to intervence and set aside such a termination. I have already found that the ground of unauthorised absence of Shri P. K. Ray from duty since 4th October 1965, has not been established and it has rather been proved that Shri P. K. Ray filed an application for extension of leave in due time and no order was passed thereon by the D. V. C. Then I have found that Shri P. K. Ray also made a representation to the Chairman, D. V. C., Calcutta, for retaining him at Calcutta in the leave vacancy of one Assistant, Grade I, and that also was not heeded to by the Corporation, though in the written statement filed by the D. V. C. and in the deposition of D.W. 2 we get the expression of the pious hope to the effect that Shri P. K. Ray would have been allowed to stay on at Calcutta if he liked the same on forgoing the promotion. I may also add in this connection that there is overwhelming evidence on record in support of the story of illness of Shri P. K. Ray [vide Exts. 3, 3(b), 4, etc.]. It is indeed difficult nowadays to conceive of a case where the services of a permanent workman could be terminated without giving him the proper opportunity for self-defence and, in my opinion, Regulaion 17(c) of the D. V. C. Service Regulations also does not empower the D. V. C. to terminate the service of the workman concerned on the allegation of unauthorised absence without framing any charge against him and without holding a domestic enquiry against him after observing all the rules of natural justice. So, judging the case from angles of vision I must hold that the termination of services of Shri P. K. Ray was not at all justified, and he must be reinstated to his old post as Assistant, Grade I, with all back wages and other facilities and benefits.

This is my award which must be implemented by the D. V. C. within 30 days from its publication in the "Calcutta Gazttee".

No. 1602-I.R./IR/KW/11L-250/68.—23rd February 1970.—Whereas under the Government of West Bengal, Labour Department, Order No. 3050-I.R./IR/11L-379/66, dated the 5th July 1967, read with its Corrigendum No. 3465-I.R./IR/11L-379/66, dated the 24th July 1967, the industrial dispute between Messrs. Staff Union, 249/D Bepin Behari Ganguly Street, Calcutta-12, regarding the issue mentioned in the said order being a matter specified in the Third Schedule to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the Third Industrial Tribunal;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the annexure hereto.

ANNEXURE

In the matter of an industrial dispute existing between Messrs. Hindusthan Development Corporation Ltd., 27 Sir R. N. Mukherji Road, Calcutta-1, and their workmen of the Head Office represented by the Hindusthan Development Corporaton Ltd. Staff Union, 249/D Bepin Behari Ganguly Street, Calcutta-12. (Case No. VIII-503/ 67.)

BEFORE THE THIRD INDUSTRIAL TRIBUNAL WEST BENGAL

Present:

Shri N. SARKAR, M.A., B.L., Judge, Third Industrial Tribunal.

AWARD

By Order No. 4062-I.R./IR/11L-379/66, dated 10th October 1966, the Government of West Bengal, Labour Department, referred an industrial dispute existing between Messrs. Hindusthan Development Corporation Ltd., 27 Sir R. N. Mukherjee Road, Calcutta-1, and their workmen of the Head Office represented by the Hindusthan Development Corporation Ltd. Staff Union, 249/D Bepin Behari Ganguli Street, Calcutta-12, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

1. Dearness Allowance

On receipt of the order of reference, usual notices were issued to the parties by this Tribunal and on 18th November 1966 the Union entered appearance and filed its written statement in the case. A copy of that written statement was made over to the Company and 9th December 1968 was fixed for filing of written statement by the Company. On that date the Company prayed for time to file written statement and time was extended up to 29th December 1968 for that purpose. Then the Company filed its written statement in the case on 29th December 1968.

Thereafter, by Government's (Labour Department's) Order No. 1212-I.R./IR/11L-379/66, dated the 31st March 1967, the proceedings pending

before this Tribunal in respect of the above matter were withdrawn from the file of this Tribunal and were transferred to the First Industrial Tribunal for speedy disposal. But again, by a subsequent order, i.e., by Order No. 3050-I.R./IR/11L-379/66, dated the 5th July 1967, as amended by Order No. 3465-I.R./IR/11L-379/66, dated the 24th July 1967, the Government of West Bengal, Labour Department, withdrew the proceedings pending before the First Industrial Tribunal relating to the aforesaid dispute and transferred the same to this Tribunal for adjudication.

After the preliminary stages were over, 21st June 1968 was fixed for hearing of the case. But the case could not be heard on that date as the Company prayed for an adjournment which was allowed by my predecessor-in-office. Then on 25th June 1968 the Union filed a petition which was objected to by the Company and that petition was ultimately disposed of on 16th August 1968. Thereafter, on 6th December 1968 a joint petition of compromise was filed by the Company and by the workmen concerned. The parties were heard on that joint petition by my predecessor-in-office on 9th December 1968 and on that date the Company's representative submitted before my predecessor-in-office, as the Order No. 35, dated 9th December 1968, goes to show, that another connected matter between the parties was still pending in the Hon'ble High Court and so no order was passed by my predecessor-in-office on that joint petition on 9th December 1968 and the matter was directed to be put up on 8th February 1969 for necessary orders. But 8th February 1969 was subsequently declared a holiday and so the record was put up before my predecessor-in-office on 10th February 1969. On that date also another joint petition was filed by the workmen concerned and the Company praying for passing an award in terms of the joint petition filed on 6th December 1968. Then 15th March 1969 was fixed for hearing of the said petition in presence of the parties. But the parties thereafter failed to appear on several dates, and no intimation was supplied to this Tribunal regarding the disposal or otherwise of the other connected matter pending before the Hon'ble High Court at Calcutta. On 16th December 1969 a copy of the order, dated 3rd December 1969, of the Hon'ble High Court of Calcutta in Matter No. 331/68 was produced before this Tribunal by the Company and in that order leave was granted to this Tribunal by the Hon'ble High Court to record the terms of settlement arrived at between the parties and to pass an order in accordance therewith. But as the petition filed on 6th December 1968, purporting to contain the terms of settlement, was signed by the representative of the Company and by some workmen, a notice was issued to the Union, which filed the written statement in the case on behalf of the workmen, asking it to show cause, if any, by 21st January 1970 against the acceptance of the said joint petition. But on 21st January 1970 the Vice-President of the Union appeared before this Tribunal and submitted that he had no instruction to proceed further with the case. In the joint petition filed on 6th December 1968 it is also specifically mentioned that the workmen of the Head Office Establishment of the Company (i.e., the workmen concerned in the dispute) have withdrawn from and severed all their connections with Hindusthan Development Corporation Ltd. Staff Union. That being so, I do not find any reason whatsoever to reject the joint petition of compromise filed on 6th December 1968 by the Company and by the workmen concerned. I have perused that joint petition. It is signed by the Secretary of the Company and by 42 workmen. In the joint petition it has been stated by the parties that the dispute has been amicably settled between them and no further dispute exists between the parties in view of the settlement arrived at by them. So, they have prayed for passing an award in terms of the said settlement. The terms are really fair, reasonable and proper and accordingly they are accepted by me, and the reference is disposed of in terms of the joint petition of compromise, dated 6th December 1968, which be made a part of the award as an Annexure.

This is my award.

Dictated and corrected by me.

N. SARKAR,
Judge.

Judge, Third Industrial Tribunal.

ANNEXURE

BEFORE THE THIRD INDUSTRIAL TRIBUNAL, WEST BENGAL

In the matter of Government of West Bengal, Labour Department, Order of Reference No. 3050-I.R./IR/11L-379/66, dated 5th July 1967

In the matter of an Industrial Dispute

Between

Messrs. Hindusthan Development Corporation Ltd., 27 Sir R. N. Mukherjee Road, Calcutta-1.

Versus

Their workmen represented by Hindusthan Development Corporation Ltd. Staff Union, 249/D Bepin Behari Ganguly Street, Calcutta-12.

The humble joint petition of the parties abovenamed.

Most respectfully sheweth:

(1) That the above matter is pending adjudication before this Hon'ble Tribunal.

(2) That the workmen of the Head Office establishment of Messrs. Hindusthan Development Corporation Ltd. at 27 Sir R. N. Mukherjee Road, have withdrawn from and severed all their connections with Hindusthan Development Corporation Ltd. Staff Union.

(3) That the Hindusthan Development Corporation Ltd. Staff Union has no longer any locus standi to represent the workmen of the Head Office Establishment of the Company or to espouse their cause in any proceeding under the Industrial Disputes Act, 1947, including the proceedings pending before this Hon'ble Tribunal for adjudication.

(4) That the parties to the present order of reference have now settled the issue of Dearness Allowance covered under the above mentioned order of reference amicably and out of the Court.

(5) That the issue has been settled mutually on the basis that the present rates of Dearness Allowance being paid by the Company and received by the workmen are fair and reasonable under the present circumstances and as such do not warrant any change.

(6) That the issue in the present order of reference having been so settled there remains no further dispute in respect of the same order of reference.

It is therefore prayed that this Hon'ble Tribunal may be pleased to pass an award in terms of the aforesaid settlement.

And, for this, your petitioners, as in duty bound, shall ever pray.

PART IC—Awards by Industrial Tribunals and Consumer Price Index

GOVERNMENT OF WEST BENGAL
LABOUR DEPARTMENT

ORDERS

No. 832-I.R./IR/10L-25/68.—28th January 1970. —Whereas under the Government of West Bengal, Labour Department, order No. 1174-I.R./IR/10L-43/66, dated the 30th March 1967, the industrial dispute between Messrs. Coles Cranes of India Ltd., 517 Barrackpore Trunk Road, P. O. Kamarhati, district 24-Parganas, and their workmen represented by Coles Cranes Workers' Union, Nilgunj Road, P. O. Agarpara, 24-Parganas, regarding the issues mentioned in the said order being matters specified in the Second and the Third Schedules to the Industrial Disputes Act, 1947 (XIV of 1947), was referred for adjudication to the First Industrial Tribunal;

And whereas the said First Industrial Tribunal has submitted to the State Government its award on the said industrial dispute;

Now, therefore, in pursuance of the provisions of section 17 of the Industrial Disputes Act, 1947 (XIV of 1947), the Governor is pleased hereby to publish the said award as shown in the Annexure hereto.

ANNEXURE

In the matter of an industrial dispute between Messrs. Coles Cranes of India Ltd., 517 Barrackpore Trunk Road, P. O. Kamarhati, district 24-Parganas, and their workmen represented by Coles Cranes Workers' Union, Nilganj Road, P. O. Agarpara, 24-Parganas. (Case No. VIII-80/66/67.)

BEFORE THE FIRST INDUSTRIAL TRIBUNAL, WEST BENGAL

Present :

Shri B. BASAK, M.A., LL.B., W.B.H.J.S., Judge, First Industrial Tribunal.

Appearances :

For the Company : Shri J. N. Chatterjee.
For the Union : Shri N. D. Srimani, Advocate.

This is a reference under section 10 of the Industrial Disputes Act. This was at first referred to the learned Fifth Industrial Tribunal, by Labour Department, order No. 1077-I.R./IR/10L-43/66, dated 18th March 1966. By order No. 1174-I.R./IR/10L-43/66, dated 30th March 1967, the Labour Department withdrew the reference from the learned Fifth Industrial Tribunal and referred it to this Tribunal. The only issue involved in this reference is—Classification and designation of workmen.

On receipt of usual notices the parties appeared on 21st November 1968, which was the date fixed for the purpose. On 5th December 1968 the Union was permitted to adopt the written statement it filed before the learned Fifth Industrial Tribunal on 8th July 1966. On 8th January 1969 the Company was permitted to adopt the written statement, it filed before the learned Fifth Industrial Tribunal on 14th September 1966. By a petition, dated 19th May 1969, the Company raised a preliminary objection challenging the maintainability of this reference. With the consent of parties this question of maintainability of the reference has been taken up first. The company contends that classification and designation are inseparable and as such, it is not possible to give designation to the workmen of the Company without first classifying them into several groups. But by the award published in the "Calcutta Gazette", dated 30th January 1967, the learned Seventh Industrial Tribunal classified the workmen of this Company and other engineering works. The said award has not been determined in accordance with the provision of sub-section (6) of section 19 of the Industrial Disputes Act and as such, the same award is still binding on the parties. That being so, this reference for classification and designation of the workmen of the Company is not maintainable.

The Union on the other hand contends that the workmen can be given designation even without classification. Next it is contended by the Union that the issue in this reference was not in issue in the award of the learned Seventh Industrial Tribunal published in the "Calcutta Gazette" on 30th January 1967. The issue here is classification and designation of workmen. Classification was not directly in issue in the reference which culminated in the award, dated 30th January 1967 and designation was not in issue at all in that reference. Moreover by presentation of fresh charter of demands the Union, by implication terminated the award published on 30th January 1967. Lastly, the objection now taken by the Company was not raised by it in its written statement and as such the Company should be treated to have waived it. This Tribunal shall discuss these points one by one.

The first point is if it is possible to give designation to the workmen of the Company without first classifying them into several groups either on the basis of the skill they are called upon to exercise in doing their job or on the basis of different jobs they are to perform. Giving designation to the workmen means giving occupational nomenclatures to the different groups of workmen on the basis of different jobs they perform. Admittedly all the workmen of the Company are now designated as "crane makers". The Union urges that the present designation of the workmen has been given mala fide by the Company with a view to keeping all the workmen under constant threat of being asked to do inconvenient jobs, so that the Company may be in a position to get rid of workmen who may refuse to be the henchman of the management. It is further urged that if the present system of designating all the workmen as "crane makers" be not done away with and the workmen are not given occupational nomenclatures according to the different jobs they perform serious inconvenience to the workmen will perpetuate. Because if the present system of designating all the workmen as "crane makers" be continued then a highly skilled workman like a head mistry may be asked to work as sweeper or durwan in which case the head mistry will have no alternative but to resign. The Company submits that it has never any intention of asking any semi-skilled or skilled or highly skilled workman to do the work of an unskilled worker as its object is to get optimum return from the workman for the salary it pays to him. It is the Company which will suffer loss if it asks a head mistry to do the work of a durwan or a sweeper and at the same time continue to pay to him the salary paid to a head mistry. It further contents that be that as it may, it is not possible to give designation to workmen unless they are classified in groups. It cannot be denied that giving designation to workmen means giving occupational nomenclatures to the workmen after dividing them into several groups on the basis of the different jobs they are called upon to do. So giving designation to workmen presupposes classification of workmen according to the jobs they perform. The Union reiterates its contention that workmen can be given designation without any prior classification. In support of this view the learned Advocate for the Union refers to the case of Indian Oxygen and its workmen reported in 1963 (2)L.L.J. 83. This decision lays down that classification of workmen is of two kinds namely (1) classification of jobs and (2) fixing of existing staff into the various classified jobs. It further lays down that classification of jobs should be dealt with by the Tribunals themselves. Generally speaking, the fixing of individual workmen in particular classified jobs could best be done by the management in consultation with the Union and it is only the disputed cases which might be referred, if necessary to the Tribunal. This decision does not lay down that designation can be given to workmen without first classifying them into different categories according to the jobs they perform. I, therefore, agree with the learned lawyer representing the Company that no designation can be given to workmen without first classifying them according to the jobs they perform. So classification and designation are inseparable. Giving designation to workmen is possible only when the workmen have being classified into different groups on the basis of jobs they perform. So unless the workmen can be classified into several groups according to the jobs they perform no designation can be given to them.

The next question will be if the issue in this reference was also an issue in the reference disposed of by the learned Seventh Industrial Tribunal by its award published in the "Calcutta Gazette" on 30th January 1967 and if so whether the said award has been terminated either in accordance with the provisions of section 19(6) or by implication by presentation of fresh charter of demands. This point should be divided into two parts namely (A) whether the issue in this reference was directly or substantially in issue in the reference disposed of by the learned Seventh Industrial Tribunal and (B) whether the said award has been terminated under provisions of section 19(6) or by implication, by presentation of fresh charter of demands.

The learned lawyer representing the Union argues that the issue in this reference was not in issue in the reference before the learned Seventh Industrial Tribunal. We have already seen that the issue in this reference is classification and designation of workmen. The award published in the "Calcutta Gazette" on 30th January 1967 shows that in the said reference there were two issues namely (1) wages, (2) holidays and leave—Festival Holidays, Sick Leave, Casual Leave and Privilege Leave. The learned lawyer for the Union argues that a comparison of the issues of this reference and the reference before the learned Seventh Industrial Tribunal will show that the issue in this reference was not in issue in the other reference. The learned lawyer for the Company refers to paragraph 47 of the award published on 30th January 1967 and points out that as a

matter of fact the learned Seventh Industrial Tribunal classified the workmen in order to fix their wages. The submission of the learned lawyer for the Company is that though classification was not directly in issue in the said reference before the learned Seventh Industrial Tribunal as fixation of wages of the workmen was not possible without classifying them into different groups, the learned Seventh Industrial Tribunal was indirectly called upon to classify the workmen into different classes and as a matter of fact the learned Tribunal classified the workmen in different classes according to the skill they are called upon to exercise in performing the different jobs allotted to them. He, therefore, contends that classification was indirectly in issue in the reference before the learned Seventh Industrial Tribunal. I fully agree with the learned lawyer for the Company. I am convinced that as a flat rate of wage was not intended to be fixed for all the workmen of the Company they had to be classified into different groups, so that different grades could be fixed for different classes of workmen. So classification of the workmen into different classes was indirectly in issue in the said reference before the learned Seventh Industrial Tribunal when it was called upon to fix the wages of the workmen. The learned lawyer for the Union argues that assuming that classification of workmen was indirectly in issue in the previous reference designation was not in issue. We have already seen that designation means classification of workmen according to the nature of the jobs they are called upon to perform and giving designation to the different classes so done. So giving designation presupposes classification of workmen according to the jobs they perform. The learned Seventh Industrial Tribunal classified the workmen not according to the nature of jobs they have to perform but according to the skill they were called upon to exercise in performing the jobs allotted to them. It has already been found that if the workmen cannot be classified according to the jobs they perform designation cannot be given to them on that basis. It is admitted that by a settlement between the Company and its workmen on 11th September 1963 the workmen were classified into groups D, C, B, bearers and durwans, mallies and sweepers and drivers. This settlement was arrived at when the reference before the learned Seventh Industrial Tribunal was pending. In paragraph 6 of this settlement it was agreed that the award of the said learned Seventh Industrial Tribunal would be binding on parties to the settlement and would totally and effectively replace the said settlement from such date as the said award would come into force. The said award classified the workmen into 4 groups, namely (1) D—corresponding to unskilled category, (2) C—correspond ing to semi-skilled category, (3) B—corresponding to skill category and (4) A—corresponding to highly skilled category. This award was published on 30th January 1967. In paragraph 76 of the award it was laid down that the award would come into effect from 1st January 1967. So according to the terms of the settlement, dated 11th September 1963, the said settlement lost it force with effect from 1st January 1967 on which day the award of the learned Seventh Industrial Tribunal came into force. It is admitted that the workmen of the Company enjoyed and are enjoying the benefits of this award. So it is binding on the Company as well as on the workmen. Rightly or wrongly the learned Seventh Industrial Tribunal classified the workmen of the Company according to the skill they are called upon to exercise in performing the jobs allotted to them. The workmen did not move the higher authorities against this award. So they cannot now make any grievance that they have not been classified into different categories according to the nature of jobs they perform. We have already seen that classification and designation is an issue in this reference. We have also seen that classification was indirectly in issue in the reference before the learned Seventh Industrial Tribunal and lastly classification and designation are inseparable and without classification no designation can be given to the workmen. That being so, it is apparent that the issue in this reference was also indirectly in issue in the reference before the learned Seventh Industrial Tribunal.

We shall now discuss if the award of the learned Seventh Industrial Tribunal published on 30th January 1967 has been determined according to the provisions of section 19(6) or by implication by presentation of fresh charter of demands. It is admitted that the said award has not been terminated by notice given either by the Union or by the Company. So the award still continues to be binding on the parties unless it has been terminated by implication. The learned lawyer for the Union contends that by presentation of fresh charter of demands the Union by implication gave notice of its intention to terminate the said award. In support of its contention that presentation of fresh charter of demands does by implication operate as notice of intention to determine an award Company refers to the decision of Western India Match Company Versus workmen reported in 1962 (1)LLJ. 661. In that case presentation of fresh charter of demands was held sufficient to terminate a settlement. By analogy presentation of fresh charter of demands made in proper circumstances may be held to be sufficient to terminate an award. But in the decision of Bangalore Woollen, Cotton and Silk Mills Versus their workmen reported in 1968 (1)LLJ. 555 it has been held that intimation regarding the termination of an award must be fixed with reference to a particular date so as to enable a court to come to the conclusion that the party giving that intimation had expressed its intention to terminate the award. If the fresh charter of demands does not fix any date within which the demands must be fulfilled then the relevant date will be the date on which fresh charter of demands is submitted and received by the Company. Admittedly in this case the fresh charter of demands was submitted by the Union to the Assistant Labour Commissioner, Barrackpore. The Company admittedly received a copy of this charter of demands on 24th July 1964. The Company argues that as this charter of demands was not addressed to the Company but to the Assistant Labour Commissioner, it cannot be considered to be a charter of demands and in any case by presenting a charter of demands on 24th July 1964 the award, dated

30th January 1967, cannot be determined. The letter, dated 1st of September 1964, shows that the Company wrote a letter to the Union on 28th July 1964 regarding the charter of demands submitted by the Union. As that charter of demands is not before this Tribunal it cannot be said with certainty that the Union did not submit any charter of demands to the Company direct. In any case the Company admits to have received a charter of demands on 24th July 1964. Whether this was a charter of demands addressed direct to the Company or it was addressed to the Labour Commissioner and a copy only was addressed to the Company, the Company admits that on 24th July 1964 the Company received a charter of demands from the Union. But it is abundantly clear that as this charter of demands was presented prior to the publication of the award of the learned Seventh Industrial Tribunal in the "Calcutta Gazette" on 30th January 1967. This cannot be held to be a fresh charter of demands and by presenting it the Company could not signify its intention to determine the award. That being so the award of the learned Seventh Industrial Tribunal published in the "Calcutta Gazette" on 30th January 1967 has not been determined either according to the provisions of section 19(6) or by implication by presentation of fresh charter of demands subsequent to be published of the said award. The award, therefore, still continues to be binding on both the parties.

The last question is if the Company waived its right to raise this objection. The learned lawyer for the Union adopts the reference cited by this Tribunal in the order No. 38, dated 27th November 1969 and refers to the decision of workmen of Continental Commercial Company and Government of West Bengal and others reported in 1962 (1)LLJ. page 85. In that case it was held that a notice under section 19(2) of the Act for termination of a settlement could be waived by the party to whom a notice is to be sent. In view of the fact that the Company in that case took part in the subsequent conciliation proceedings and also made certain counter offers and that it never took any objection in the course of the conciliation proceeding or even before the Industrial Tribunal that the old settlement was in force it must be taken that it waived the formal notice of termination of settlement as contemplated under section 19(2) of the Act. It is argued that the same principle is by analogy applicable to awards also and that the notice under section 19(6) of the Act should also be taken to have been waived as the Company took part in subsequent conciliation proceedings and never took any objection in the conciliation proceedings or even before the Industrial Tribunal that the old settlement was in force. In the instant case there was surely conciliation proceeding before the instant dispute was referred. But there is nothing to prove that the Company did not take before the conciliation officer the objection that the award of the learned Seventh Industrial Tribunal was in force. The Company did not take this objection in the written statement but by a petition filed on 19th May 1969 it raised objection that the award passed by the learned Seventh Industrial Tribunal in respect of a dispute between these parties was not terminated in accordance with the law. So the decision reported in 1962 (1)LLJ. 85 is not applicable to this case.

We, therefore, see that it is not possible to give designation, that is, occupational nomenclatures to the workmen of the Company without first classifying them into different groups according to the nature of the jobs they perform. So classification and designation are inseparable. We further see that the learned Seventh Industrial Tribunal classified the workmen of the Company according to the skill they are called upon to exercise in performing the jobs allotted to them. The workmen are not satisfied with these classification but they did not move higher authorities for rectification of this alleged defect in the award of the learned Seventh Industrial Tribunal. As a result the award is binding on the Company as well as its workmen. That award has not been determined either in accordance with the provisions of section 19(6) of the Act or by implication by presentation of fresh charter of demands. As the Company raised this objection by its petition filed on 19th May 1969 it cannot be said to have waived the notice of termination of the said award. That being so this reference is not maintainable.

The Government of West Bengal, Labour Department, has referred an industrial dispute between Messrs. Momtuz Jewellers, P.O. Issue

Whether the termination of service of Shri Jugol Kishore Sarkar by way of refusal of employment to him is justified ? To what relief, if any, is he entitled?

On receipt of reference of this case notices were issued to the parties fixing 7th October 1969 for appearance and for filing written statement by the Union. On 7th October 1969 the parties were found absent although notices were served on them and 8th November 1969 was fixed for filing written statement by the Union. On 8th November 1969 and on two subsequent dates the parties were found absent. Today (5th January 1970) was fixed for order. Today also the parties are found absent. In such circumstances I have reasons to believe that the dispute between the parties has ceased to exist or that they are no longer interested in the matter. Accordingly a 'No-dispute' award is passed in this case.

The preliminary point raised in this case by the Company were disposed of vide order No. 22, dated 25th October 1968. Thereafter the case was fixed for hearing on 4th January 1969. On 4th January 1969 the case could not be heard as the Presiding Officer was absent and as such the case was fixed for hearing on 19th February 1969. On that date (19th February 1969) the Union filed a petition praying for adjournment and their prayer was allowed as a last chance and 26th March 1969 was fixed for hearing of the case. On 26th March 1969 the case could not be heard as the Presiding Officer was at Digha in connection with hearing of another case and as such 12th May 1969 was fixed for hearing of the case. On 20th June 1969 the Union filed a petition praying for adjournment and their prayer was allowed and 8th July 1969 was fixed for hearing. On 8th July 1969 both parties filed a joint petition praying for adjournment and 7th August 1969 was fixed for compromise in default for hearing. On 13th November 1969 on the prayer of the learned lawyer for the Union the case was adjourned to 17th December 1969 for hearing. On 17th December 1969 the learned lawyer for the Union filed a petition praying for adjournment. The learned lawyer for the Company strongly objected to the prayer for adjournment. After hearing both sides the prayer for time was allowed subject to payment of cost of Rs 20 and 17th January 1970 was fixed for hearing of the case. I have already said that none on behalf of the Union has appeared today in this case. AWARD

By order No. 2930-I.R./IR/10L-69(B)/67(Pt.), dated the 29th June 1967, the Government of West

Bengal, Labour Department, referred an industrial dispute existing between Messrs. The National Iron & Steel Co. Ltd., Stephen House, 4 Dalhousie Square East, Calcutta-1. and their workmen Shri Dilip Kumar Roy and 14 others, 30/1B Beadon Row, Calcutta-6, to this Tribunal under section 10 of the Industrial Disputes Act, 1947, read with section 2A thereof, for adjudication on the following issue :

Issue

Whether the termination of employment of the following workmen is justified? What relief, if any, are they entitled to?

(i) Shri K. C. Dutta.
(ii) Shri K. L. Banerjee.
(iii) Shri B. N. Kar.
(iv) Shri D. K. Roy.
(v) Shri Ashoke Mukherjee.
(vi) Shri Biswanath Goswami.
(vii) Shri Anal Mukherjee.
(viii) Shri S. N. Banerjee.
(ix) Shri R. J. Bhartia.
(x) Shri Bholanath Dubey.

(xv) Shri B. D. Sharma.

In response to the notices issued to the parties by this Tribunal on receipt of the order of reference, the workmen concerned and the Company entered appearance in the case and on 25th August 1967 a written statement was filed by one of the workmen, viz., by Shri B. N. Kar. Then Shri Kartick Chandra Dutt, another workman filed his written statement on 16th September 1967 and on the same date another written statement was jointly filed by Shri Dilip Kumar Roy and other workmen mentioned in the order of reference. Thereafter on 18th January 1968 the Company filed its written statement.

Subsequently on 26th March 1969 a joint petition was filed by the Company and by some of the workmen, viz., Shri D. K. Roy and three others stating that the dispute between them was amicably settled on certain terms as incorporated in that petition and praying for passing an award in terms of the said settlement. The aforesaid joint petition is alleged to be a petition of compromise effected between the Company and all the workmen concerned. But it has been signed only by 4 of the workmen, viz., by Shri Kunja Lal Banerji, Shri Dilip Kumar Roy, Shri Ashoke Kumar Mukherji, Shri Biswanath Goswami and the other workmen concerned are not parties thereto and it also does not bear the signature of any of them. So, the joint petition filed on 26th March 1969, as referred to already, shall be deemed to be a compromise petition filed by the Company and by Shri Kunja Lal Banerjee, Shri D. K. Roy, Shri Ashoke Kumar Mukherji and Shri Biswanath Goswami, four of the workmen concerned in the dispute and an award in terms of the said joint petition of compromise should be passed in relation to those parties only.

Then the other workmen who joined with Shri D. K. Roy, Shri Kunja Lal Banerji and others in filing the written statement on 16th September 1967 did not take any interest at all in the case after the filing of the said written statement, and on the dates of hearing also they did not turn up nor took any steps whatsoever in the case. So, it can be legitimately presumed that those workmen who jointly filed a written statement in the case with Shri D. K. Roy and others on 16th September 1967 and did not thereafter take any interest in the case and did not join in the compromise petition filed on 26th March 1969, are no longer interested in the instant case and that no dispute subsists any longer between them and the Company.

So, we are left with the case of Shri B. N. Kar and Shri K. C. Dutt, two of the workmen concerned, who filed their written statements on 25th August 1967 and 16th September 1967 respectively. The two written statements filed by them separately are almost on the same lines. Their main contention is that by a notice, dated 14th December 1966, their services were terminated with effect from 15th January 1967, and that the said notice being not an one month's notice and all the formalities relating to retrenchment not having been followed by the Company, the order of termination of their services (which was, according to them, nothing but an order of retrenchment) was illegal and invalid. It has also been averred by both the workmen in their written statements that the principle of "last come first go" was totally ignored in the matter of retrenchment.

The Company in its written statement has stoutly denied the aforesaid allegations made in the written statements of Shri B. N. Kar and Shri Kartick Chandra Dutt and has contended, inter alia, that the reference is not maintainable in law as the issues referred for adjudication relate to termination simpliciter and in the absence of any mala fide on the part of the Company, such reference is ultra vires the provisions of the Industrial Disputes Act. At the hearing another objection was also raised by the Company to the effect that Shri B. N. Kar and Shri Kartick Chandra Dutt were estopped from challenging the validity of the order of retrenchment or termination, as we may call it, as they accepted by Exts. A3 and A1 certain amounts in full and final settlement of their claims.

For the sake of convenience, I like to deal first with the last objection raised on behalf of the Company. It has been contended on behalf of the Company that under the Cash Voucher Ext. A1 Shri K. C. Dutt, one of the contesting workmen, received Rs. 5,415 and Paise 78 only in full and final settlement of his claim and likewise Shri B. N. Kar received as per the Cash Voucher Ext. A3 a sum of Rs. 3,309 and Paise 13 only in full and final settlement of his claim, and, therefore, they are estopped from challenging the validity of the order of termination of their service or the order of retrenchment, as we may call it. The Cash Voucher Ext. A1 indeed shows that Shri K. C. Dutt received Rs. 5,415 and 78 Paise only from the Company in full and final settlement of his claim and the other Cash Voucher, viz., Ext. A3 also goes to show the payment of a sum of Rs. 3,309 and Paise 13 only to Shri B. N. Kar by the Company in full and final settlement of his claim. On the reverse of the Cash Voucher Ext. A1, there is the signature of Shri K. C. Dutt in acknowledgment of the receipt of the amount mentioned on the front side of that voucher. Similarly there is the acknowledgment under the signature of Shri B. N. Kar on the reverse of Ext. A3. Shri K. C. Dutt (P.W. 1) has in his deposition admitted the Cash Voucher Ext. A1 and the

Vouchers Exts. A and A2 and has also admitted the contents of those Vouchers (vide his cross-examination) as true. Shri B. N. Kar (P.W. 2) has also admitted in his cross-examination the voucher Ext. A3 and it has been admitted both by Shri K. C. Dutt and by Shri B. N. Kar that they received the amount mentioned in the voucher relating to each of them in full and final settlement of their claims. But it has been contended by the learned representative of Shri K. C. Dutt and Shri B. N. Kar that what those workmen received under those Cash Vouchers is nothing but retrenchment compensation and that being so, they are not estopped from challenging the validity of their retrenchment. In support of that contention 1960 L.L.J. (I) 251 and 802 has been cited by the learned representative for Shri K. C. Dutt and Shri B. N. Kar. But on a perusal of those rulings I do not find anything on the point in controversy. In the first case referred to above it has been held that retrenchment without fulfilling the conditions under section 25F(b) of the Industrial Disputes Act is invalid and inoperative in law, and hence it could not be contended that retrenchment effected without complying with the provisions of section 25F(b) of the said Act would not be invalid but would give right to the concerned workmen to recover the retrenchment compensation due to them under section 25F(b) of that Act by way of an application under section 25I of the Act. In the other case also a retrenchment without the statutory notice under section 25F(c) of the Industrial Disputes Act has been held to be invalid, and the retrenched workmen have been held to be entitled to their wages from the date of their retrenchment. But no question was involved in those cases as to whether any workman would be estopped from challenging the validity of retrenchment after accepting the retrenchment compensation or after accepting any amount in full and final settlement of his claim. Another case, viz., 1964 L.L.J. (I) page 333 was also referred to by the learned representative for the contesting workmen in this connection. In that case it has undoubtedly been held that "the technical plea that the concerned workmen are estopped from challenging the validity of the retrenchment as they had accepted retrenchment compensation should not be entertained as such technical pleas are not generally entertained in industrial adjudication." But the above principle was laid down in that case on the basis of facts altogether different from the facts of the present case. There the concerned workmen protested against their retrenchment immediately after acceptance of retrenchment compensation. In communicating their protest they stated that the retrenchment compensation was accepted without prejudice to their right to challenge the retrenchment itself. But in the instant case we find that Shri K. C. Dutt and Shri B. N. Kar accepted certain amounts, as per Exts. A1 and A3, in full and final settlement of their claims against the Company. In both those Vouchers the words "in full and final settlement" have been written clearly and it has also been admitted in the cross-examination of the P.Ws. 1 and 2, if I be permitted to say so, that they received the amounts as per those vouchers in full and final settlement of their claims. The Voucher Ext. A1 also goes to show that some amount besides the retrenchment compensation was paid to Shri K. C. Dutt. The amount as per the Cash Voucher Ext. A1 was received by Shri K. C. Dutt on 18th July 1967 (as the acknowledgment on the reverse thereof goes to show), and likewise the amount mentioned in the Cash Voucher Ext. A3 was received by Shri B. N. Kar (as the acknowledgment on the reverse thereof indicates) on 27th January 1968. It is clear that the payments as per those Vouchers were made to the contesting workmen after the order of reference was received by this Tribunal. But still in those Cash Vouchers, i.e., in Exts. A1 and A3 it has been clearly written that those payments were made in full and final settlement of the claims of the contesting workmen, and that fact has also been admitted in their cross-examination, as already stated. That being so, I must hold, that Shri K. C. Dutt and Shri B. N. Kar (the only two contesting workmen) are estopped from challenging any more the order of termination of their employment or the order of their retrenchment, as we may call it, and they are hence entitled to no relief in the case and the case is disposed of accordingly on contest as against Shri K. C. Dutt, and Shri B. N. Kar, the workmen in serial Nos. 1 and 3 of the order of reference. The case is, however, disposed of in terms of the petition of compromise filed on 26th March 1969 as against Sarbashri Kunja Lal Banerji [workman in serial No. (ii) of the order of reference)], D. K. Roy [workman in serial No. (iv) of the order of reference], Ashoke Kumar Mukherji [workman in serial No. (v) of the order of reference] and against Biswanath Goswami [workman in serial No. (vi) of the order of reference], those terms being reasonable, fair and lawful and being accepted by me. In relation to the other workmen concerned I have got no other alternative but to pass a "no dispute" award.

This is my award, of which the joint petition of compromise filed on 26th March 1969 do form a part as an Annexure.

The Government of West Bengal, Labour Department by order No. 5970-I.R./IR/10L-17/67, dated 12th August 1968, referred to this Tribunal under section 10 of the Industrial Disputes Act an industrial dispute existing between Messrs. Hindustan Steel Ltd., Durgapur Steel Plant, Durgapur, and their workmen represented by the (i) Hindustan Steel Employees' Union, Nachan Road, Durgapur-4, and

(ii) Hindusthan Steel Workers' Union, 6/2 Guru Nanak Avenue, "A" Zone, Steel Township, P.O. Durgapur-4, district Burdwan, for adjudication on the following issue :

Issue

Whether introduction of a joint cadre of clerical staff by merging the separate existing cadres of such staff employed in the Administration and Finance Wings is justified? If so, what should be the scheme of such a joint cadre?

On receiving this reference this Tribunal sent notice to the Company and the two Unions and all of them appeared on getting notice. Both the Unions filed their respective written statements on 27th November 1968 and the Company filed its statement on 4th February 1969. Afterwards a preliminary objection was taken by the Workers' Union alleging that the reference is not maintainable as the dispute had already been settled amicably in terms of an agreement between the Company and the Workers' Union which was effected on 6th January 1967. I heard the parties over the preliminary objection and by my order No. 14, dated 25th July 1969, I negatived the contention of the Workers' Union and decided that no award could be passed on that agreement as the Employees' Union was not a party to it.

Thereafter it was ordered that the case would be taken up for hearing on 18th November 1969. On that day the Company and the Employees' Union were present but the Workers' Union did not turn up. The learned Advocate for the Company prayed for some time on the ground that a talk of compromise was going on and accordingly the case was adjourned till today to 16th January 1970.

This day the learned representatives of the Company and the Hindustan Steel Employees' Union are present. But the Hindustan Steel Workers' Union is absent. The Company and the Hindusthan Steel Employees' Union have together filed a joint petition of compromise incorporating terms of settlement. On behalf of the Employees' Union the Vice-President P.W. 1 Shri Ajit Kumar Mukherjee, and on behalf of the Company O.P.W. 1 Shri N. Bhattacherjee, Assistant Personnel Manager, have given their evidence in this Tribunal. It is stated by both of them that the dispute in respect of the present issue has been amicably settled between the Company and this Employees' Union and by this settlement the Company has conferred better benefits to the workmen than which were given to them by the previous settlement, dated 6th January 1967, with the Workers' Union. Accordingly both the parties pray for an award in terms of this settlement and both P.W. 1 Shri Ajit Kr. Mukherjee and O.P.W. 1 Shri N. Bhattacherjee pray in evidence that the award passed upon this settlement may be binding on all the concerned workmen of Durgapur Steel Plant.

I have considered the terms of settlement as incorporated in the joint petition of compromise and I find that the terms are fair, reasonable and lawful. As these terms of settlement conferred greater and better benefits to the workmen than which were given by the terms of the previous settlement, dated 6th January 1967, between the Company and the Workers' Union, I accept the terms of settlement effected between the Company and the Employees' Union as filed today and I pass this award in terms of this settlement. Let the joint petition of compromise filed today be made part of the award which will be binding on all the concerned workmen of the Durgapur Steel Plant of Hindustan Steel Ltd.

Most Respectfully Sheweth :

1. Whereas the issue as mentioned in the captioned Government Order of Reference having been referred to the Ninth Industrial Tribunal at Durgapur certain preliminary steps were taken by, inter alia, the parties hereto and that the matter is still pending adjudication. On the last date fixed, the Company as well as the Union appeared through their respective authorised representatives when the parties showed inclinations to amicably settle the matter outside this Hon'ble Tribunal as well as to place the said settlement, if executed, before the Tribunal when a prayer accepting the same and for making an Award in terms thereof to be binding on all workmen concerned in the dispute.

2. And whereas the parties hereto negotiated terms which culminated in the following settlements :

These four Office Superintendents will be over and above 4 per cent. of the Office Superintendents/Accountants. The ratio of 6 : 1 between Assistants and Head Assistants plus the additional 12 posts of Head Assistants as created by the order will remain unaffected.

(b) Promotion to the rank of Office Superintendent will be on the basis of seniority list of Finance and non-Finance taken together covering Head Assistants, Head Assistant (Accounts), Divisional Accountants and Head Computing Assistants. Cases of only such personnel who joined on or before 31st December 1961 will be considered.

(c) Assistants of both the Finance and non-Finance who joined as Upper Division Assistant on or before 31st December 1960 will be considered together in a common seniority list for promotion to the rank of Head Assistant.

(d) After the promotion have taken effect as per (c) above, Assistants of Finance and non-Finance who joined as Upper Division Assistant on or before 31st December 1961 should be considered separately for effecting promotions to the rank of Head Assistant. The Assistants who have been transferred from non-Finance to Finance and vice-versa should be considered in the cadre where they have rendered a longer period of service.

(e) Assistants (Telephone) who joined on or before 31st December 1961 will be considered for promotion to the rank of Head Assistant (Telephones) and their ratio also will be 6 : 1.

(f) Those Assistants who joined as Upper Division Assistant on or before 31st December 1961 but would not be promoted on account of non-availability of vacancies will be allowed on one advance increment.

(g) This agreement will be effective from 1st April 1967 for the purpose of promotions and advance increment as mentioned above without having any claim for arrear overtime, bonus, etc., consequent on enhancement of pay. With the implementations of the promotions and the advance increment as indicated above the merger of the two existing separate cadres will be complete. The distribution of posts of Office Superintendents/Accountants and Head Assistants would be made by the Personnel Manager according to necessity and the proportion may vary from department to department on the workload.

In the premises, it is humbly prayed that this Hon'ble Tribunal may be graciously pleased to render an Award in terms hereof and to dispose of the matter finally for all intents and purposes.

For the Union: Shri R. Sen.

AWARD

The Labour Department, Government of West Bengal, has referred an industrial dispute between the management of Ananda Bazar Patrika Private Ltd., 6 Sooterkin Street, Calcutta-1 and their workmen represented by Ananda Bazar, Hindusthan Standard, Desh Employees' Union to this Tribunal by its order No. 7716-I.R., dated 26th October 1968, under section 10 of the Industrial Disputes Act, for adjudication on the following issue :

Issue

Bonus for the accounting year 1967.

This matter was referred to this Tribunal on 26th of October 1968 and was received by this Tribunal on 31st of October 1968.

Usual notices were issued to the parties and parsuant to the notices both Management and Union entered appearance. Thereafter, the Union filed its written statement on 22nd March 1969 and Management filed its on 30th April 1969. After the written statement and necessary documents were filed, I took up hearing of the case on 26th of November 1969 and after several adjournments, sometimes at the request of the Management and sometimes at the request of the Union hearing was concluded on 15th of December 1969.

In course of argument of the case I enquired from Mr. S. Sen appearing for the Management and Mr. R. Sen appearing for the Union whether the matter could be amicably settled. They informed me after the argument was concluded that the making and signing of the award may be deferred for sometime and in the meantime they would try to make a settlement.

Towards the end of December 1969, both Mr. S. Sen and Mr. R. Sen informed me that the matter had been amicably settled and they would file the Mamorandum of Settlement for my consideration as soon as the Memorandum of Settlement was finalised between the parties.

On 17th January 1970, both parties filed a joint petition of compromise stating therein that they had come to an amicable settlement on 5th January 1970 and they asked for an award in terms of the settlement filed in. On behalf of the Management Mr. P. Mukherjee, Industrial Relations Officer and also Mr. J. M. Sen, Chief Accountant signed and on behalf of the Union, Mr. Adyanath Bhattacharjee, Mr. Ram Chandra Chatterjee and Asim Kumar Banerjee, President and Joint Secretaries respectively signed the Memorandum of Settlement. I have considered the Memorandum of Settlement which covers other matters along with the dispute that was referred to me for adjudicaion. The said settlement on the whole as well as regarding the issue concerned is fair, reasonable, lawful and conscionable and disposes of the issue which was referred to this Tribunal completely. I have no hesitation to accept the said settlement and I propose to pass an award in terms of the settlement filed herein.

In the circumstances, I pass an award in terms of the Memorandum of Settlement filed before me, which will form a part of the award and be marked as Annexure A.

This is my award.

Short Recital of the Case

Whereas the Company paid Bonus for the year 1967, at the rate of 4 per cent. on the contention that the Bonus is payable only under the provision of the Bonus Act, and that the allocable surplus for the accounting year ending 31st December 1967, would not justify payment of any quantum more than the minimum amount provided in the Bonus Act, viz., 4 per cent. of the wages earned during the accounting year in question or Rs. 40 whichever is higher.

Whereas the Union raised a dispute alleging that the payment of Bonus is a condition of service payable at the Puja time as a Puja Bonus and that the Company is legally bound to pay three months' basic wages in addition to the amount payable under the Bonus Act.

Whereas after protracted negotiations both the parties, viz., the Company and the Union by a joint application, dated 25th September 1968, agreed to refer the matter for adjudication by a Tribunal under sub-section 2 of section 10 of the Industrial Disputes Act and in pursuance thereof the West Bengal Government by an order No. 7716-I.R./IR/13L-30/68, dated 26th October 1968, referred the matter to the Sixth Industrial Tribunal.

Whereas during the hearing of the matter in question the Tribunal enquired whether any amicable settlement is possible and requested the parties to make an endeaveour for the same whereupon the parties started a further negotiation for settlement and ultimately came to an agreement as follows:

1. (a) Without prejudice to the parties' rights and contention mentioned above the Company has agreed to pay to all its employees on the roll including permanent, temporary and Badli during the accounting year in question an amount equivalent to two and half months' basic salary/wages subject to the maximum of Rs. 600, out of which the amount already paid as Bonus will be deducted.

(b) It is agreed between the Company and the Union that the amount payable under sub-clause (a) above shall be proportionately reduced in respect of an employee who did not work all the working days in the accounting year in question.

It is however agreed that the day the employee in question had been on leave on wages full or half or absent due to temporary disablement caused by accident arising out of and in the course of his employment or leave under E. S. I. shall be treated as present for the purpose of payment of Bonus.

2. That it is further agreed between the Company and the Union that in addition to the amount payable as per clause 1 hereinabove the Company will pay an amount to the extent of 15 days' basic salary/wages to all employees of the Company drawing basic salary/wages up to 119 per month subject to the total maximum of Rs. 300 including the amount payable under clause 1 (a) above. The provision as mentioned in clause 1 (b) above however is applicable in this case also.

3. (a) It is further agreed that for the accounting years 1969, 1970 and 1971 the Bonus will be paid on the basis of the agreement, dated 19th September 1969, for the year 1968, i.e., an amount equivalent to 3 months' basic salary/wages as on the 31st December of the respective years subject to the minimum of Rs. 330 and the maximum of Rs. 800 and that payment will be made on the basis of clause 1 (b) hereinabove.

(b) That it is further agreed between the parties that in addition to the amount payable as per clause 3 (a) hereinabove the Company will pay to all the employees who worked not less than 30 days in the accounting years in question an amount equivalent to 4 days' basic salary/wages for the years 1969, 1970 and 1971 subject to the minimum of Rs. 20 and maximum of Rs. 70.

4. That the total amount payable under clauses 1 and 2 hereinabove will be paid by 2 equal instalments, namely, first instalment by 21st January 1970 and the second instalment by 23rd February 1970. The total amount payable for this purpose will be the amount payable after deducting the amount already paid as Bonus for the accounting year 1967. The basis of instalment will be decided by mutual discussion between the Union and the Management.

5. That as the settlement was effected with a view to maintaining a peaceful and cordial relationship between the employer and the employees and ensuring normal production the Union assures that

all workmen will maintain discipline and observe all rules or legal orders of the Company and will settle all disputes by constitutional means before resorting to strike. It is also assured by the management that no victimisation will be resorted to.

6. It is agreed that the parties either jointly or separately shall apply to the Hon'ble Sixth Industrial Tribunal for giving an award in pursuance of this agreement.

Inquiry as to valuation of suits.

11. If the Court is of opinion that the subject-matter of any suit has been wrongly valued, it may revise the valuation and determine the correct valuation and may hold such inquiry as it thinks fit for such purpose.

(Chapter III.—Computation of fees.—Sections 12—15.)

Investigation to ascertain proper valuation.

12. (1) For the purpose of an inquiry under section 11 the Court may depute, or issue a commission to, any suitable person to make such local or other investigation as may be necessary and to report thereon to the Court. Such report and any evidence recorded by such person shall be evidence in the inquiry.

(2) The Court may, from time to time, direct such party to the suit as it thinks fit to deposit such sum as the Court thinks reasonable as the costs of the inquiry, and if the costs are not deposited within such time as the Court shall fix, may, notwithstanding anything contained in any other Act, dismiss the suit if such party is the plaintiff or the appellant and, in any other case, may recover the costs as a public demand.

Power of persons making inquiry under sections 11 and 12.

13. (1) The Court, when making an inquiry under section 12 shall have, respectively, for the purposes of such inquiry or investigation, the powers vested in a Court under the Code of Civil Procedure, 1908 in respect of the following matters, namely:— 5 of 1908.

(2) If in the result of such inquiry the Court finds that the subject-matter of the suit has not been undervalued the Court may, in its discretion, order that all or any part of such costs shall be paid by the State Government or by any party to the suit at whose instance the inquiry has been undertaken, and if any amount exceeding the proper amount of fee has been paid shall refund the excess amount so paid.

Procedure in suits for mesne profits or account when amount found due exceeds amount claimed.

(1) Every question relating to valuation for the purpose of determining the amount of any fee chargeable under this Chapter on a plaint or memorandum of appeal shall be decided by the Court in which such plaint or memorandum, as the case may be, is filed, and such decision shall be final as between the parties to the suit.

(2) But whenever any such suit comes before a Court of Appeal, reference or revision, if such Court considers that the said question has been wrongly decided, to the detriment of the revenue, it shall require the party by whom such fee has been paid to pay so much additional fee as would have been payable had the question been rightly decided,

(a) if the party required to pay is the appellant or petitioner, the provisions of sub-sections (2) and (3) of section 10 shall, so far as may be, apply;

(b) if the party required to pay is the respondent or the opposite party, the provisions of sub-section (2) of section 10 shall, so far as may be, apply, and, if such party fails to pay the fee required before the date fixed by the Court, the Court shall recover the amount of such fee from him as a public demand.

Explanation.—For the purposes of this section a question relating to the classification of any suit for the purpose of section 7 shall not be deemed to be a question relating to valuation.

Recovery of deficit court-fee in certain cases.

17. (1) The High Court shall, when dealing with an application for leave to appeal to the Supreme Court, make an order for the payment of any deficit court-fee with such interest not exceeding six *per centum per annum* as the High Court may direct, in all cases where the High Court finds that the subject-matter of the suit or appeal had been undervalued either in the Court of first instance or in the Court of Appeal or in both, irrespective of whether the certificate of fitness for appeal to the Supreme Court is or is not granted.

(2) The fee together with interest thereon found to be payable under sub-section (1) shall be paid by the party ordered to do so and if such party fails to pay the amount required before the date fixed by the High Court, it shall be recoverable from him as a public demand.

Refund of fee paid on memorandum of appeal.

18. If an appeal or plaint, which has been rejected by the lower Court on any of the grounds mentioned in the Code of Civil Procedure, is ordered to be received, or if a suit is remanded in appeal, on any of the grounds mentioned in Order XLI, rule 23 of the same Code for a second decision by the lower Court, the Appellate Court shall grant to the appellant a certificate, authorizing him to receive back from the Collector the full amount of fee paid on the memorandum of appeal: 5 of 1908.

Provided that if, in the case of a remand in appeal, the order of remand shall not cover the whole of the subject-matter of the suit, the certificate so granted shall not authorize the appellant to receive back more than so much fee as would have been originally payable on the part or parts of such subject-matter in respect whereof the suit has been remanded.

Refund fee on application for review of judgment.

19. Where an application for a review of judgment is presented on or after the ninetieth day from the date of the decree, the Court, unless the delay was caused by the applicant's laches, may, in its discretion, grant him a certificate authorizing him to receive back from the Collector so much of the fee paid on the application as exceeds the fee which would have been payable had it been presented before such day.

The West Bengal Court-fees Act, 1970.

(2) Nothing in sub-section (1) of this section shall entitle the applicant to such certificate where the reversal or modification is due, wholly or in part, to fresh evidence which might have been produced at the original hearing.

Multifarious suits.

21. (1) In any suit in which two or more separate and distinct causes of action are joined and separate and distinct reliefs are sought in respect of each, the plaint or memorandum of appeal shall be chargeable with the aggregate amount of the fees with which the plaints or memoranda of appeal would be chargeable under this Act in separate suits instituted in respect of each such cause of action:

Provided that nothing in this sub-section shall be deemed to affect any power conferred by or under the Code of Civil Procedure, 1908, to order separate trials. 5 of 1908.

(2) Where more reliefs than one based on the same cause of action are sought either jointly or in the alternative, the fee shall be paid according to the value of the relief in respect of which the largest fee is payable.

When the first or only examination of a person who complains of the offence of wrongful confinement, or of wrongful restraint, or of any offence other than an offence for which police officers may arrest without a warrant, and who has not already presented a petition on which a fee has been levied under this Act, is reduced to writing. under. the. provisions of the Code of Criminal Procedure, the complainant shall pay a 5 of 1898. fee of one rupee unless the Court thinks fit to remit such payment.

CHAPTER IV

Probates, letters of administration and certificates of administration.

Relief where too high a court-fee has been paid.

24. Where any person on applying for the probate of a will or letters of administration has estimated the property of the deceased to be of greater value than the same has afterwards proved to be, and has consequently paid too high a court-fee thereon, if, within six months after the true value of the property has been ascertained, such person produces the probate or letters to the Board of Revenue for the local area in which the probate or letters has or have been granted,

and delivers to such Authority a particular inventory and valuation of the property of the deceased, verified by affidavit or affirmation,

and if such Authority is satisfied that a greater fee was paid on the probate or letters than the law required, the said Authority may—

(a) cancel the stamp on the probate or letters, if such stamp has not been already cancelled;

The West Bengal Court-fees Act, 1970.

(Chapter IV.—Probates, letters of administration and certificates of administration.—Sections 25—28.)

(b) substitute another stamp for denoting the court-fee which should have been paid thereon; and

(c) make an allowance for the difference between them as in the case of spoiled stamps, or repay the same in money, at his discretion.

Relief where debts due from a deceased person have been paid out of his estate.

25. (1) Whenever it is proved to the satisfaction of such Authority that an executor or administrator has paid debts due from the deceased to such an amount as, being deducted out of the amount or value of the estate, reduces the same to a sum which, if it had been the whole gross amount or value of the estate, would have occasioned a less court-fee to be paid on the probate or letters of administration granted in respect of such estate than has been actually paid thereon under this Act, such Authority may return the difference, provided the same be claimed within three years after the date of such probate or letters.

(2) But when, by reason of any legal proceeding, the debts due from the deceased have not been recovered and made available, and in consequence thereof the executor or administrator is prevented from claiming the return of such difference within the said term of three years, the said Authority may allow such further time for making the claim as may appear to be reasonable under the circumstances.

Relief in case of several grants.

26. (1) Whenever a grant of probate or letters of administration has been or is made in respect of the whole of the property belonging to an estate, and the full fee chargeable under this Act has been or is paid thereon, no fee shall be chargeable under the same Act when a like grant is made in respect of the whole or any part of the same property belonging to the same estate.

(2) Whenever such a grant has been or is made in respect of any property forming part of an estate, the amount of fees then actually paid under this Act shall be deducted when a like grant is made in respect of property belonging to the same estate, identical with or including the property to which the former grant relates.

Probates declared valid as to property though not covered by court-fee.

27. The probate of the will, or the letters of administration of the effects, of any person deceased heretofore or hereafter granted shall be deemed valid and available by his executors or administrators for recovering, transferring or assigning any movable or immovable property whereof or whereto the deceased was possessed or entitled, either wholly or partially as a trustee, notwithstanding the amount or value of such property is not included in the amount or value of the estate in respect of which a court-fee was paid on such probate or letters of administration.

Provision for case where too low a court-fee has been paid on probates, etc.

28. Where any person on applying for probate or letters of administration has estimated the estate of the deceased to be of less value than the same has afterwards proved to be, and has in consequence paid too low a court-fee thereon, the Board of Revenue for the local area in which the probate or letters has or have been granted may, on the value of the estate of the deceased being verified by affidavit or affirmation, cause the probate or letters of administration to be duly stamped on payment of the full court-fee which ought to have been originally paid thereon in respect of such value and of the further penalty, if the probate or letters is or are produced within one year from the date of the grant, of five times, or, if it or they is or are produced after one year from such date, of twenty times, such proper court-fee, without any deduction of the court-fee originally paid on such probate or letters:

Procedure for calculation of ft. run per kg. for different diameters

Let d = The pin diameter in inches.

L = The length of pin per kg. in ft.

Density of pin material = 0·1282 kg/cubic inch.

$$\text{Therefore } \frac{\Pi d^2}{4} \times L \times 12 \times 0{\cdot}1282 = 1 \text{ Kg.}$$

$$\text{or } L = \frac{4}{\Pi d^2 \times 0{\cdot}1282 \times 12}$$

$$= \frac{4}{d^2 \times 3{\cdot}14 \times {\cdot}1282 \times 12}$$

$$\text{or } L = \frac{0{\cdot}827}{d^2}$$

Normal Machine Cycle time (as per IBCON report) = 2·54 secs.

Standard Machine cycle time (with M/C allowance of 10 per cent as per IBCON report) = 2·794 standard M/C.secs

No. of pieces per hour std/stand $= \frac{3600}{2 \cdot 794} = 1288$ pcs./stand.

Standard Cycle time in man minutes (with 25 per cent man allowance as per IBCON report) = 2·794 × 1·25
= 3·485 std. man sec.

No. of pcs.per man hour per stand $\frac{3600}{3 \cdot 485} = 1030$ pcs/stand.

Length of one piece of wire = 18" = 1·5 ft.

Production per man hour per stand in ft. run = 1545 ft. run.

I Cutting time :

*Production in ft. run per stand per man hour= 1545 ft. run.

Production in kg. per stand per man hour $\frac{1545}{K}$ kg.

When K = ft. run per kg. value of K is to be taken from Table No. 1.

II Cutting Time :

Setting time for one coil on the basis of one stand running per Machine = 18·60 mins. per setting.

Setting time for a coil on the basis of two stands running per machine = 37·20 std. mins. per setting.

Average weight of a coil is = 100 kg.

So time required to set $\frac{1545}{K}$ kg. of production $\left(\frac{\cdot 62}{100} \times \frac{1545}{K}\right)$ std. hrs.

III Total Time (Cutting Time and Setting Time) :

In $1 + \frac{062 \times 1545}{100\ K}$ hours the production is $= \frac{1545}{K}$ kg.

In 1 hour, the production is $= \frac{1545}{K} \times \frac{100\ K}{100\ K + 0 \cdot 62 \times 1545}$ Kg.

In 8 hours, the production is $= \frac{1545 \times 100\ K \times 8}{K\ (100\ K + 0 \cdot 62 \times 1545)}$ Kg.

$\frac{12 \cdot 360}{K + 9 \cdot 6}$ Kg. when length is 18"

$= \frac{10 \cdot 984}{K + 8 \cdot 5}$ Kg. when length is 16"

$= \frac{9 \cdot 612}{K + 7 \cdot 4}$ Kg. when 14" is the length.

Procedure for computing production :

Standard production per standard man hour = 26.22M.

Standard production per shift of 8 hours = 26.22 × 8M.

Production in kg. per shift = 26.22 × 8 × W., where W = weight of 1000 pins in kg.

Production in kg. per shift = 209.76W.

Less 20 per cent. + 10 per cent. to the Norm.

Procedure for computing production—Power Press:

No. of strokes per machine per man hour = 198.

$$\text{Pin per stroke} = \frac{2}{\text{Dia. of the pin}}$$

$$\text{Production per machine per 8 hours} = \frac{198 \times 8 \times 2}{1000} \times W = \frac{3168 \times W}{d \times 1000} \text{ Kgs.} + 10 \text{ per cent.}$$

Hardening — 1·3 Kg.—8 hours/per machine
GP #4Kg.—8 hours/per machine.

Tempering — 225 kgs.—8 hours/per machine.

Polishing —225 kgs.—8 hours/4 barrels.

Fine pin will also run in Hardening and Tempering and Polishing at least 8 hours per day compulsorily.
